Brethren,

   We have had two great meetings this quarter. I hope you have managed to attend. If not, we look forward to welcoming you at our next meeting. In March, on the 21st, we will welcome our DDGM, R∴ W∴ Reinhold, refreshments will be oyster stew, steamed shrimp and BBQ meatballs with ice cream sundaes to end your gastronomic experience. We will have three 50 year presentations if the Brethren can attend, and we will have a lot of program information in areas of activity you will certainly want to know about.

   April 2, we will have a breakfast at the Lodge, raising money for our youth activities (donations requested, plan to be generous, please), from 7 am til 9 am with a Bring a Friend activity to follow. Please share the word and bring a friend. We will ask that you contact the secretary by Friday, April 1 to give us a head count of attendance. Bring your families; we promise you will not go away hungry.

   Our journey down the Child Identification Program path is going well. If you bring your children or grandchildren for breakfast, you can have the CHIP done then. If we shoot over the 9 am time period, we will strive to continue on serving breakfast while our friends go upstairs to hear about our fraternity. Your participation will make all the difference. Please put April 2 on your calendar.

   Following our breakfast and bring a friend program we will have our Subordinate Lodge Officer Training program presented by our District Education Officer, R W Dickerson. An invitation will be sent to our fellow District Lodges inviting them to join us. It is essential that all of our Officers attend this training.

   Join in and reap the reward of membership; fellowship with your Brethren.
